

Accessorize. Maximize.

Store It. Organize It. Heat It. Power It. Ground It. Light It.
And More It with Xybix Custom Accessories.

Xybix provides a broad range of accessories to complete and protect your entire work environment, right down to the desktop.

Our solutions include personal storage, custom millwork, personal climate control, desktop storage and more.

It's all part of our commitment to providing solutions that focus intently on the comfort, safety, productivity and happiness of the most important component of your enterprise - the people who staff your center 24/7/365.

Key Concepts / Benefits

Benefits

- Wide selection of add-ons and accessories
- Custom accessories to match the entire ergonomic furniture system
- Personalize each individual station with different items
- Rugged

Comfort and convenience are assured with the many accessories from Xybix. Personal ventilation is neatly installed into workstations to provide maximum comfort.

Get more work surface space, and keep it clean with this smart cup holder.

Form • Function • Health • Performance
