

After two years of extensive durability testing and development, the goal was to minimize downtime and hassles. You now have an industry leading warranty that we are proud to stand behind.

YOU ARE COVERED LIFETIME WARRANTY

Xybix now offers a Lifetime warranty for manufactured components.

- Panels
- Work surfaces
- Edging
- Cabinets
- RollerVision

FIVE YEAR PLUS WARRANTY

What does this mean?

- **Lifetime warranty** except moving and electronic parts
- **6 year parts** warranty on all moving and electronic parts
- **5 year labor** warranty on everything, including shipping

This is for all Xybix manufactured and non-manufactured parts. If you require parts or repairs, there is no hassle in whom to call! Whether your parts are Lifetime or Five Years PLUS, Xybix is your single point of contact – no OEM or “buy-outs” to deal with. We pride ourselves on having the friendliest and most responsive 24-hour customer service department in the industry. Just call us – anytime!

For additional details, see our written warranty concerning on the usual exceptions like purposeful damage, power surges, etc.
