Premier Service: For a timely warranty solution, the Buyer will cooperate with the Xybix Customer Service Team. With guidance from Xybix, the Buyer agrees to perform basic troubleshooting tasks to determine the nature of the problem and to self-correct before on-site assistance can be provided. For simple replacements, Xybix will promptly ship parts to the Buyer. Required troubleshooting tasks and simple replacements will not void a valid warranty.

Xybix will provide personnel for components that require on-site repair. These repairs will be performed during normal work hours as scheduled by the Xybix Customer Service Team. For repairs that have resulted from circumstances outside the warranty coverage, and/or the Buyer imposes conditions or restrictions that increase repair costs, the Buyer agrees to reimburse Xybix for resulting additional expenses. The Buyer agrees to dispose of old parts and packing materials.

This warranty is for new purchases only and would not apply to circumstances that include normal wear and tear, damage, misuse, power surges, modifications, consumable items, mobile/tablet devices or software, or products shipped outside the United States.

Any repairs, substitute products, or replacements of equal or higher value used to resolve a warranty claim will in no way extend the applicable warranty period applied to the original product. Product repair or replacement is the Buyer's exclusive remedy for all warranty solutions covered under this non-transferable warranty. Xybix makes no other express or implied warranties to any product except as stated above.

Except as listed below, any defective Xybix manufactured components will be replaced at no charge for as long as the original purchaser owns the product. Labor and all associated expenses for defective products covered by this warranty will be provided to the original buyer for five years from the date of acceptance or beneficial usage whichever occurs first.

Lift columns, electronic controls, switches, heating devices and all moving parts found to be defective, will be replaced or repaired (at Xybix's option) for the first ten years of original ownership. Labor and shipping costs are also covered for the first five years of original ownership. This warranty includes parts, labor and shipping costs.

Buyer's Responsibility:

The execution of this warranty requires the cooperation of the buyer with Xybix. The buyer agrees to perform basic troubleshooting tasks to determine the nature of the defect (and quickly self correct – if possible) with assistance from Xybix customer service before Xybix personnel will provide on-site assistance. In the event that Xybix personnel must provide on-site assistance and the product failure or defect resulted from items to which this warranty does not apply, the buyer agrees to reimburse Xybix for all expenses resulting from the warranty claim. Expenses include, but are not limited to: product, shipping, installation, transportation and accommodations. An hourly labor rate will be applied for work performed. Xybix makes no other express or implied warranties to any product except as stated above. In particular, Xybix makes no warranty or claim of merchantability or fitness for a particular purpose.
