To whom it may concern

Howard County 911 recently purchased eight new Xybix Eagle Line consoles as part of our upgrade Project.

The entire Xybix Team was professional and made sure the entire project was completed on time and under budget. Two of the Xybix employees I personally worked with was Heather Brown, Indiana Sales Manager and Tim Majszak, Lead Installer. They were always there to answer any questions and made sure all the required paperwork was completed and installed correctly. Tim also had the task of dealing with the four different contractors of flooring, IT, 911 Phone and Radio and he made it seamless to install the different tasks during a live changeover.

We have been a long term Xybix customer and look forward to continuing a great relationship.

Sincerely

Gary W. Bates  
911 Communications Director
