Dear Gail:

On behalf of the City and MoDOT staff here at the Transportation Management Center of the Ozarks, Marc and I wanted to let you know how much we appreciate the excellent service you and your team at Xybix provided for the purchase of our new TMC operator workstations. Your coordination and assistance throughout the entire planning, design, procurement, and installation process was outstanding—leading to a final product with which our staff is very pleased! The comfortable and versatile consoles provide for an improved, more productive work environment for our team.

Thank you for all your work!

Best regards,

Tom Dancey, P.E., PTOE
